

Hello Members, this is Brigid McNulty.

The Irish American Center would like to keep you informed as we weather the most recent developments of the Coronavirus pertaining to our efforts to keep you and our members safe.

The Board of Directors approved the hiring of a company to clean and disinfect the Center. The cleaning crew were available to come in on Saturday to steam clean the bathrooms & carpets, disinfect door handles, light switches, chairs & tables, electrostatic disinfect all open areas on all 3 levels (basement, main & second).

We have postponed the Society events for now up until March 27th and have contacted the outside rentals to reschedule when the CDC and Nassau County guidelines indicate it is permissible.

It is a very trying time for all but hopefully these strict precautions will keep our family, members and community safe so we can return to enjoy our traditions.

We thank you for your understanding.

Hope to see you soon.
